## HUXLEY

### TABLE

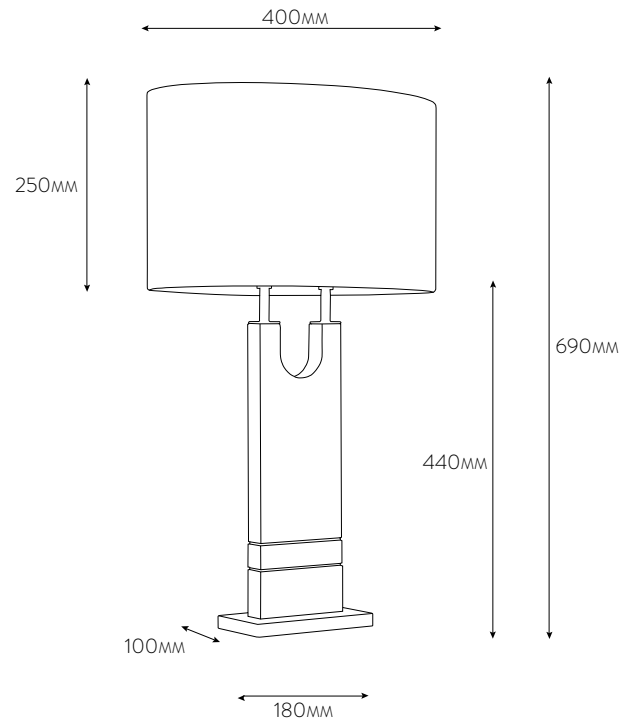

#### PRODUCT CODE: HUXLEY TABLE NE585

Influenced by wooden furniture and metal inlay designs from the 1960s, the Huxley range combines shaped routed rectangular wooden pieces, finished in Rose Teak with brass accents. The brass details are intricately assembled after a soft antique patina is applied. A rectangular antique brass base completes the fitting, resulting in an impressively solid and serious piece.

Completed with an Ivory Satin Oval shade with Gold PVC Lining.

Bespoke finish and shade options are available.
