MARCADE

WALL

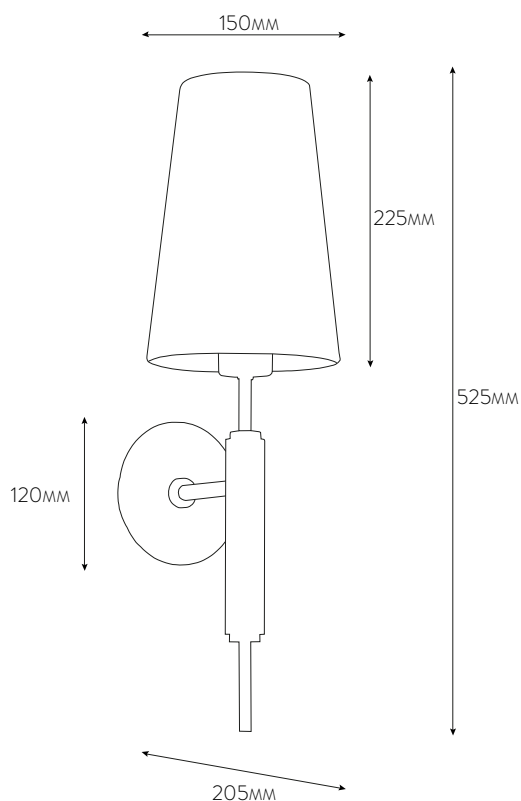

PRODUCT CODE: MARCADE WALL NA543_2

The Marcade range is designed to embrace the clean lines of Art Deco, but with an industrial edge. This is enhanced by the finish - the steel detailing is antiqued to create a deep, almost green black patina, whilst softened by the brass elements, which are tarnished to a warming bronze.

The wall lights are available with either drum or cone shade shapes.

Bespoke finish and shade options are available.
